

Job Title:	Casual Trade Person Instructor (mixed trades)
Reports to:	Humber Construction Hub Site Manager
Based at:	Humber Construction Hub
Salary:	Higher Living Wage plus benefits (Negotiable for right candidate)
Hours per week:	Flexible hours as when required
Closing Date:	Friday 25 <sup>th</sup> September 2020 at 5pm

#### JOB PURPOSE:

The Humber Construction Hub offers on-site training provision in an outdoor classroom and gives access to live construction projects to support those who want to join the industry, particularly adult learners and the long-term unemployed, in the North of Hull and Grimsby, which are both amongst the most deprived areas in the country.

We are seeking for a Part-time Multi Trade Trainer to work at the Humber Construction Hub. The applicant must be able to support and guide learners and deliver training to them at our training facility. The role specifically requires someone with strengths in Bricklaying, Carpentry, Painting and Decorating, Plastering and Tiling.

An advantage would be someone that holds a trainer qualification already, however, we will consider applicants who have experience in working within a multi-trade industrial environment.

#### KEY RESPONSIBILITIES AND ACCOUNTABILITIES:

To instruct learners in safe and modern techniques of various multi trades as listed above. To support the site manager in his duties including providing training and pastoral care to our learners, supporting learners to realise their fullest potential whilst developing their employment possibilities.

#### KEY SKILLS AND EXPERIENCE:

- Occupationally competent to be able to teach, support and guide learners to a high level within the Multi-Trade Industry
- Well-motivated and able to work alone and as part of the team. You will be organised and able to plan your time effectively
- Be willing to embrace changes within the industry as part of a team and move forward into the new approaches to training
- Flexible, as there could be some out of hours work necessary
- A car owner / driver
