

Apprenticeship Levy Transfer

Apprenticeship Levy

- All companies with an annual pay bill of £3m or more pay 0.5% Apprenticeship Levy
- Levy is used to pay training providers for Apprenticeship training and is held in a digital account
- If unused within a 24 month cycle the monthly amount of levy is taken back by the Government

Use it don't lose it!

Apprenticeship Levy

EN:Able Futures is a Community Investment Company and Shared Apprenticeship Service

- We are a non-levy paying organisation
- The Government has restricted non-levy paying organisations to a maximum of 10 apprentices

What does this mean to EN:Able Futures?

Apprenticeship Levy

EN:Able Futures are looking to work in partnership with levy paying organisations who can share their Apprenticeship Levy funds.

You don't need to employ an apprentice to support one

- Large levy paying companies can transfer up to 25% of their levy to support apprenticeships

Apprenticeship Levy

Why share your apprenticeship levy with EN:Able Futures?

Use it don't lose it!

- We can continue creating additional apprenticeship opportunities within the Construction, Housing and Civil Engineering industries
- We are an award winning Shared Apprenticeship Service

Partnership Working - Good news for everyone!

We will - share regular news updates, photos and videos on the apprentice's progress so you can share the good news on social media, with stakeholders and/or staff

Any questions?

Housing Apprenticeship Academy

Housing Apprenticeship Academy

What is this?

- A cohort of 8-12 apprentices from the same or different organisations learning the same qualification, developing and sharing their experiences at the same time
- A range of Housing sector related qualification Standards from entry level 2 upwards that can be tailored to meet your business needs (must be same qualification per cohort)
- Training delivered by a local, Yorkshire based, CIH approved training provider with proven success

A complete solution with EN:Able Futures Shared Apprenticeship Service

With our proven track record - Construction Management
Academy 2020 Completers

- Achieving 85% Distinction Star/Distinction
